

# For The Love Of Us

**Lisa Peterson**

*Lyrics: Aleena Gibson*

I'm keeping  
I'm keeping your secret  
though it's breaking me in two  
'cause deeper  
deeper than anything  
goes my heart for you

And though it makes me feel divided  
I believe you had a reason to hide it

For the love the love the love  
For the love of us  
I won't breathe a word I won't, oh, I gotta keep the trust  
For the love of us  
For the love - for the love - for the love of us

I'm closing  
I'm closing the door behind  
though I know I might be wrong  
Defending  
defending another one  
until it's safe to say

And though it makes me feel divided  
I believe you had a reason to hide it

For the love the love the love  
For the love of us  
I won't breathe a word I won't, oh, gotta keep the trust  
For the love of us  
For the love - for the love - for the love of us  
For the love - for the love - for the love of us
