

# Invincible

**Lisa Peterson**

*Lyrics: Aleena Gibson*

I wanna be someone  
Here underneath the sun  
I'm gonna get there  
I won't give up 'til I'm number one  
Life is a game that you just gotta  
learn how to play

On my own I'm ok I'm alright  
but together we take on a fight

I feel invincible  
when I am with you  
And I don't think there's anything that I couldn't do  
invincible  
this feeling is new  
there's nothing that I couldn't do  
as long as I'm riding with you

I'll find my destiny  
it's all inside of me  
I'm gonna make it happen  
'cause there ain't no stopping me  
with my eyes open I'll take the whole world by surprise  
Yes I will

On my own I'm ok I'm alright  
but together we take on a fight

I feel invincible  
when I am with you  
and I don't think there's anything that I couldn't do  
Invincible  
This feeling is new  
There's nothing that I couldn't do  
As long as I'm riding with you

Dark clouds behind me  
I know forever that I've changed  
sometimes you gotta fall  
just to learn how to stand

Invincible  
when I am with you  
and I don't think there's anything that I couldn't do  
Invincible  
This feeling is new  
There's nothing that I couldn't do  
As long as I'm riding with you
