

Lion's Tail

The Miscreants

I gaze at all the photos
I grin at all the ads and spreads
Trying to get in my head

I don't care to be the girl with
the right bag and the right shoes
It's yesterday's news

Like a lion's tail you can't catch me
Ha ha hey hey
Whip like a lion's tail
Everyday
Can you picture me on every screen on top of your dreams
Like a lion's tail you can't catch me
ha ha hey hey

I stand my ground like thunder
And when I rain, I rain
I don't wish to be mainstream

What do you think about the concept
Of losing one's head, brain dead
Well I will never be, yesterday's news

Like a lion's tail you can't catch me
Whip like a lion's tail
Everyday
Can you picture me on every screen on top of your dreams
Like a lion's tail hey

Whip like a lion's tail
Ha ha hey hey
Whip like a lion's tail
Ha ha hey hey

Like a lion's tail you can't catch me
Whip like a lion's tail
Everyday
Can you picture me on every screen on top of your dreams
Like a lion's tail hey

Whip like a lion's tail
Everyday
Can you picture me on every screen, in every magazine
Like a lion's tail
Ha ha hey hey
