

# Say Goodbye

**Lisa Peterson**

*Lyrics: Aleena Gibson*

Here I am though I wish I was braver  
We all came here today for a last goodbye  
Leave a rose on the grave of our mother  
We will ride again we will ride again

Like the sun  
you'll live on  
a new dawn  
across the morning sky  
In our hearts  
you live on and on and on

Time to say goodbye say goodbye say goodbye  
We hold our head up high and with tears in our eyes  
We face the first of days without you here beside  
It's time to say goodbye

We inherited all of your magic  
Saw the fire we carried inside of us  
We will honour your courage forever  
Never rest until your dream is done

Like the sun  
you'll live on  
a new dawn  
across the morning sky  
In our hearts  
you live on and on and one

Time to say goodbye say goodbye say goodbye  
We hold our head up high and with tears in our eyes  
We face the first of days without you here beside  
It's time to say goodbye

It's time to say goodbye say goodbye say goodbye  
We hold our heads up high with tears in our eyes  
It's time to say goodbye say goodbye say goodbye  
We hold our heads up high  
It's time to say goodbye
